Ripley Power and Light
YOUR HOMETOWN ELECTRIC PROVIDER

Ripley Power and Light Company is a public utility serving Ripley, Henning, Halls and Gates. Our mission is to provide the best service possible at the lowest possible cost. We buy electricity from the Tennessee Valley Authority, which offers some of the lowest rates in the country. Our residential and commercial rates are on our website: ripleypower.com.

YOUR UTILITY BILL: Your bill is based on the amount of electricity you use. This varies each month, depending on the number of days in the billing period, the number of people in your home and the weather.

OUTAGE MANAGEMENT SYSTEM: Our Outage Management System will know your location when you report an outage after hours from a phone with a number that is connected to your account. All customers are encouraged to update their phone numbers. See complete instructions, below.

SECURITY LIGHTS: You can lease a security light from us to provide extra visibility in your yard at night. Activated by photocells sensitive to darkness, our lights turn on at dusk and off at dawn.

HELP YOUR NEIGHBORS IN NEED: Ripley Power and Light administers the Plus One Program at no cost to help those in need pay their utility bills. You can contribute to the program with a one-time donation or through your monthly utility bill.

NEW RESIDENTIAL CUSTOMERS: Most of the time, we can turn on your utilities the same day you request them. You will need to make a deposit.

• **MOVING?** Tell us in advance if you plan to move out of town or transfer utility services to another location within our system. We charge \$20 to transfer electric services; an additional deposit may be required depending on your location.

• **BUILDING A NEW HOME OR BUSINESS?** Call us before you start. We will help you get your electricity in a timely manner.

FINANCING: We offer low-interest financing to customers who purchase and install an energy-efficient electric heat pump through one of our approved dealers. Payments are on your monthly electric bill.

STREET AND TRAFFIC LIGHTS, TREES: We maintain street and traffic lights and trim trees and other vegetation touching power lines. If you see a light not working properly or a tree growing into a power line, call or email us with the location.

HOURS AND LOCATIONS

Ripley: 150 S. Main St. • **Halls:** 409 S. Church St.

Monday to Thursday: 7:30am–5pm

Friday: 7:30am to 4:30pm

WAYS TO PAY YOUR BILL

(When paying by mail, in person or through night deposit, enclose the bottom portion of your bill.)

1. Online through our Customer Portal: At ripleypower.com.

2. Ripley Power and Light App: Download to smart device through Apple Store or Google Play.

3. In person: At our Ripley or Halls office during normal working hours.

4. 24-hour bill pay: By credit card or cash through a secure kiosk in the drive-thru lanes at our Ripley and Halls offices.

5. Bank draft: Your bank deducts the amount you owe from your bank account the day the bill is due. Each month we send your bank the amount you owe, and we send you a copy of your bill.

6. Mail: In the envelope that comes with your bill.

7. Night deposit: Using the secure deposit boxes at our Ripley and Halls locations.

(If you choose to pay your utility bill in one of the above ways, you can sign up for e-statements. You will receive your bill through email before other customers receive their bill in the mail.)

8. Prepay Program: Pay for electricity before you use it. A daily text or email gives you the amount of electricity you have left on your account so you know when to buy more. You can add money to your account at our offices or through the customer portal, mail or kiosk. Prepay customers cannot use bank draft or receive e-statements.

DO WE HAVE **ALL** OF YOUR PHONE NUMBERS?

Ripley Power and Light encourages customers to ...

STEP ONE:

- Update all phone numbers — landlines and cellphone numbers — in your household.
- Visit www.ripleypower.com under the 'Report an Outage' tab or call 731-635-2323.

STEP TWO:

- Save our number – 888-655-1841 – in your cellphone.
- To opt in, text #RIPLEY to 888-655-1841.
- You'll receive the message, "Welcome to Ripley Power and Light's text messaging service ..."

HAVE AN OUTAGE?

The next time you have an outage, just text #OUT to 888-655-1841.

Ripley Power and Light's Outage Management system will know your location, and we'll immediately begin our efforts to locate the cause of the outage and restore your power.

Emergencies: Ripley Power and Light employees are on call 24 hours a day to provide reliable and quality electric service. We are prepared to respond quickly in an emergency. Call us immediately at 731-635-2323 or 731-836-7595 if the electric power is out, a power line is down or if there is another electrical emergency.
