

# Ripley Power and Light Company

## CALENDAR 2021

Ripley Power and Light's 2021 calendar will be filled with pictures from Lauderdale County's past. Our selection is from the thousands of pictures collected by Billie Morris, author and county historian. Calendars will arrive in Power and Light customer mailboxes during the holiday season.

Pictured, clockwise from top, a Power & Light lineman crew, a snowy February day in 1951, an All-State Ripley basketball team, playing cards in the countryside and a strawberry stand in Gates.
